TAPING

The free-standing arm stretch wrapper CSA 915 can easily be integrated into an existing or new production line. The high pre-stretch percentage and the low maintenance of this wrapping machine ensure that the total costs in your production line are saved. The arm is driven via a robust swivel head with external gear. The CSA 915 can wrap up to 15 pallets per hour, suitable machine films may be stretched up to 250%.

Advantages

- Driven via robust slewing ring with external gear
- Pre-stretch 200% - 250%
- Up to 15 pallets per hour
- Possibility of storing 6 wrapping programs

Options

- Anti corrosion treatment
- Mast for loads up to 3000 mm high
- Pressure plate
- Roping system
- Larger pallet sizes
- Sealing unit with contrast plate

Technical data

Total power installed	2.5 (kW)
Standard input voltage	400V - 50 Hz - 3PH + N + G - 6A
Protection on electric system & motors	IP 54
Max. pallet dimensions	1200 x 1200 mm
Standard pallet height	2400 mm
Maximum rotation speed	12 rpm
Production capacity	Up to 15 pallets per hour
Operating pressure	6 bar
